HAND APPLIED

Our team of artisans hand applies every finish with the utmost of care and finesse. We take pride in the quality of our craftsmanship.

WHO WE ARE

Jeva Design Studio is a women owned and operated decorative wall finishing studio based out of Brooklyn, NY. The studio manufactures and installs their own SET plaster on commercial, residential and hospitality based projects. The studio takes pride in being able to custom match any color by eye and create one of kind finishes to satisfy any design needs.

WHAT IS SET PLASTER

SET Plaster is a revolutionary take on cementitious plaster. At just 1/32 of an inch thick SET allows for our installers and studio to craft Stylish finishes, utilize *Effective* practices and implement new *Techniques*. SET plaster is like nothing on the market. It is completely flexible yet also extremely strong.

SET PATTERNS

Coarse

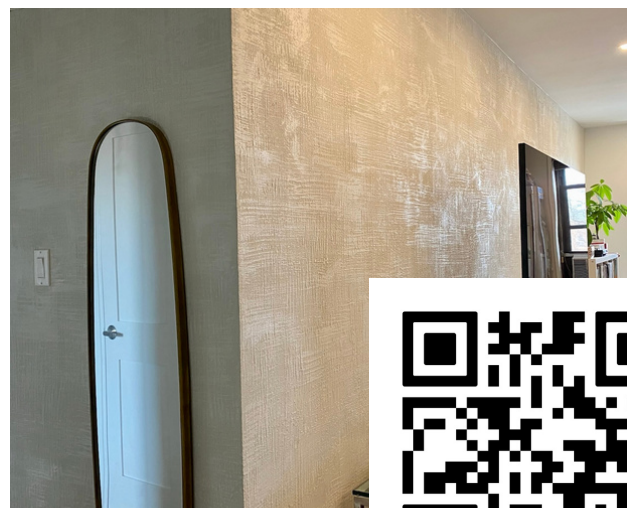

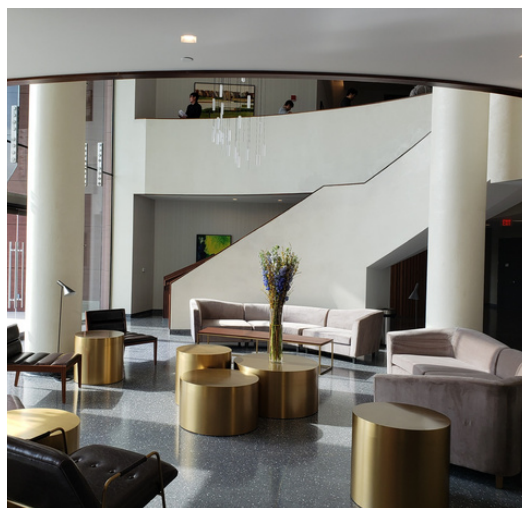

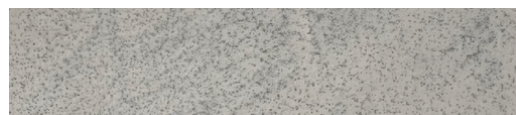

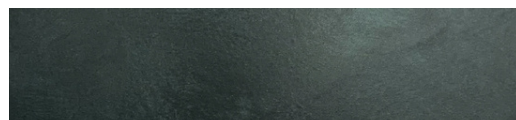

This finish was formulated to duplicate the look and feel of natural stone and concrete. Tenacious but stylish, this finish lends an industrial appearance to your walls, while keeping an elevated look.

Smooth

Craftsmanship, beauty, and sophistication with a soft appearance is what Smooth is all about. This breathtaking finish mimics lightly polished marble which keeps walls visually interesting.

Texture

With a wide variety of color and texture, we can create endless looks; from brush strokes, to a distressed look and anything in between. This finish is where we let our artisans truly embrace creativity.
